

## Schedule for next term

We recently sent out a timetable and schedule for classes next term. If you didn't receive it you can view it below or on our website [www.vacani.com](http://www.vacani.com). Our terms dates for next term are also listed online.

So that our nursery children (who start school/Reception in September) can make ballet times we MOVE pupils to a later class. We call this later class Transition and it is scheduled so that children can come straight from school. Our Transition class is more challenging but we are also aware that our pupils are adapting to a full day at school so we introduce ballet games/concepts and keep things fun whilst learning some of the fundamentals of the Primary Ballet Syllabus.
